MET

The Michigan English Test for Professional Healthcare Licensure in the U.S.

Nurses and other healthcare professionals have dedicated themselves to helping others and build their careers. Help them take the next step and earn their credential for licensing in the U.S. with the Michigan English Test (MET).

How does MET support a career in healthcare?

Developed over 10 years ago, MET is built on a solid academic foundation. It's a valid, reliable, and secure measure of English language proficiency that is administered worldwide.

MET is:

- **Respected**: accepted by more than 20 state boards of nursing as proof of English language proficiency
- **Widely recognized**: accepted by HRSA and CGFNS
- **Convenient**: available at a convenient test center
- **Reliable and secure**

- **Flexible**: single section retakes are available
- **Responsive**: test results are available in only 5 days
- **Cost effective**: candidates can share their results with healthcare institutions or nursing boards at no addition cost

MET

Explore a Healthcare Career in the U.S.

MET is accepted by CGFNS* to apply for occupational visas to work in the US for the following healthcare professions:

- Registered Nurse
- Practical/Vocational Nurse
- Speech Language Pathologist
- Audiologist
- Medical Technologist
- Medical Technician
- Physician Assistant

*CGFNS does not accept at-home versions of English tests. Contact an Authorized Test Center near you.

For occupational visas, CGFNS requires at least an overall MET score of 55 with a speaking score of at least 55. For additional information contact info@michiganassessment.org.

MET is accepted by state boards across the U.S.
